

FOSTER FAMILIES NEEDED.

Are you thinking about becoming a foster parent?

Livingston County Catholic Charities is holding an orientation for persons interested in learning more about foster care.

LCCC is seeking to increase the number of available foster homes in Livingston County to serve the growing number of children entering foster care. Currently there are not enough local homes to accommodate abused and/or neglected children to keep them close to their home of origin to maintain stability in their lives. Do you have room in your heart & home for one more child? If so, please call to reserve your spot
