Family Hair Care

We have been given the heartbreaking news, that after being promised to be moved over to the other side of the Mugg and Bopps store (former Bella's Market), they are no longer doing so. They have been so kind as to give us 30 days. It has not sunk in totally, but we are going thru the motions. Our last business day will be July 7. We will be contactig all of our wonderful clients who have made this salon as terrific as it has been. All of the staff will be staying in Howell. Cindy Hoskins, Taryn Vance, and Rachel Malicke will be at Country Clipper on National Street in Howell. Please follow our Facebook page to see where Andrea Gruchala and Elizabeth Broomfield go. Again, thank you so much for the ongoing kindness from all of our clients over all the years. You are awesome!
