

OFFICER DAVE IMBER'S Spaghetti Dinner Fundraiser

Police Officer • Army Officer • Livingston County Resident • Family Man

As a Combat Veteran and Police Officer, Dave possesses the courage, commitment and the strength of character needed to protect and serve. Dave is now faced with a new fight, **Glioblastoma**. It is an aggressive and non-curable form of brain cancer. The disease along with Dave's extensive medical treatments have denied him the ability to perform his job and to support his young family.
